

Michael Hackett

9943 Jonas Salk Drive, Riverview, FL 33578 (813)-323-0098

Mchackett96@gmail.com

Objective

To obtain a full-time position working as a software engineer to develop, maintain and design software.

Experience

InvestCloud, Front-end Web Developer

April 2022 - Current

Successfully built, tested and deployed web applications using a proprietary programming language called PWP.

Designed web pages including CMS, customized charts, custom filters and other features using PWP, HTML, CSS and JavaScript to ensure client satisfaction.

Communicated daily with project team to discuss client plans for projects or any bugs that may need to be addressed.

Freelance, Web Developer

June 2021 – Current

Developed, designed and tested innovative user-friendly web pages for clients using WordPress, React, HTML, CSS, Tailwind and JavaScript. Communicated with clients about design aspects and SEO optimization.

Council Oak, Lead cook

May 2019 - April 2022

Improved team composition by leading the organization of the kitchen. Learned and operated a complex computer-based ordering system that managed and controlled our expansive inventory.

Mellow Mushroom, Assistant Kitchen Manager

09/2015 – 04/2018

Focused on the ability to multi-task in a high paced environment. Coordinated the restaurants inventory, truck deliveries and organization of the products.

Education

MiT xPro's, Professional Certificate in Full Stack Development

Build, test and deploy API's, web applications using the MERN stack, front-end applications using React, and back-end applications using Node.

Hillsborough Community College, Tampa, Culinary Management

Developed an understanding of managing a team while also learning culinary skills and techniques.

Skills

- JavaScript (React, Node, JSX, jQuery)
- CSS (Tailwind, Bootstrap, Saas)
- HTML, HTML5, WordPress, SEO
- Jira, IIS, AWS
- C#, Java
